## Student Supply List 2018/19

This year we are asking every student to come to school with some basic supplies to share in the classroom.

The list below is unique for your Kindergartener

Many stores are having great sales for school supplies right now and, while it is not mandatory that you purchase these items, we hope that you will keep this list handy as you do your back-to-school shopping.

Also, if your family is in the position to purchase a second set for another student in your child's class, we would very much appreciate your help.

Thank you!!
