

After School Martial Arts

Schafer's ATA Martial Arts North Petaluma is excited to provide an after school program that infuses a positive and energetic learning environment designed to empower kids **WHILE** teaching them the skills to be confident, disciplined, and respectful leaders in our community. Students will develop balance, coordination, focus, self-defense, confidence, and so much more through this exciting program. They will receive belts and have opportunities to test and showcase their material for their families at the end of each session. Students will test for stripes and after their third stripe, they will test for their next belt! ***Our program is highly popular and we expect to have to waitlist students for each session so don't wait to register. Email BreSchafer@gmail.com for more info!***

To register, head to our doc: <https://goo.gl/forms/Drf4MQBKsd1ppHCW2>

8 sessions - \$100

Tuesdays: 2:30-3:15 (begins 9/25/18)

Dunham School provides space, but does not endorse, staff, or supervise the information, activities, or events posted
